PyeongChang, September 07 – Olympic sports fans can now share the passion of the Olympic Winter Games PyeongChang 2018 thanks to the newly launched “New Horizons Hospitality Program.”

Three premium levels of packages are available online now at newhorizons.jetsetsports.com. They include tickets to highly sought-after events in some of the best seats in the PyeongChang 2018 venues, as well as access to the New Horizons Lounge in Gangneung Olympic Park or in-venue hospitality lounges, depending on the level of the package.

These exclusive packages are available on a first-come, first-served basis through the Jet Set Sports website (www.jetsetsports.com/newhorizons) for international visitors in participating territories only, as well as local sports fans in Korea.

The PyeongChang Organizing Committee for the Olympic and Paralympic Winter Games (POCOG) selected Jet Set Sports to design and manage the New Horizons Hospitality Program and in doing so has named Jet Set Sports as its “Official Supporter of In-venue Consumer Hospitality Services.”
